My Good Friend and I

Hello, my name is Sofia. I am nine years old. I am tall and thin. I have two big eyes and very long hair. I live in Sheung Shui with my family. I think I am helpful because I always help my friends with their homework. I am good at English and I like writing English poems. I also like playing the flute in my free time. My favourite festival is Christmas. It is in December. I usually sing carols and get Christmas cards on this festival.

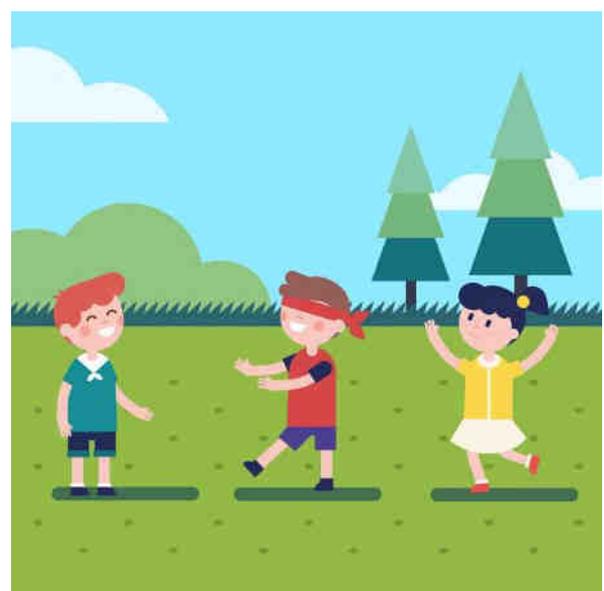

I have a good friend at school. She is Carrie. She is nine years old. She is in Class 4A. We are classmates. She also lives in Sheung Shui with her family. She is good at English. She always reads English books in her free time. I think she is helpful because she always helps teachers at school. She likes playing the piano in

her free time. Carrie's favourite festival is Christmas. She likes this festival because she can sing carols and exchange presents.

I like playing online games with my friend in my free time. We also like playing hide-and-seek in the park. I am happy to have a friend like her.

Me and My Friend

My name is Sherlock. I am nine years old. I am 1.4 metres tall. I weigh 40.4 kilograms. I have a friend, her name is Gloria. She is nine years old too. We are the same age. She is 1.4 metres tall. Her weight is 30.2 kilograms. She is taller than me but I am heavier than her. We have different appearances. I have big ears and a small mouth. She has small ears and a big mouth. We have the same bright smile.

I like playing football and going swimming. I always do sports at the weekend. I like sky blue and red. I like P.E. lessons and Maths lessons. Gloria likes playing online

games. She likes the colour black. Her favourite subject is P.E. We have different hobbies.

Gloria is my best friend. Although we look different, and have our own favourite things, we like to play together. We always share the things that we like. I appreciate others' strengths.

My Friend and I

My name is Agatha. I am nine years old. I have a best friend.

Her name is Yoyo. She was my first friend. When I was a baby, her mum always brought her to my house. She isn't friendly. She is naughty. However, she likes to play with me. Of course, I also like to play with her.

She is taller than me. She is heavier than me. My hair is longer than hers. My eyes are bigger than hers. We are the same age but I am older than her by two months.

I have many hobbies. So does Yoyo. We have the same hobbies. We like reading books in our school library.

We like playing online games. We always play online games together. We like sharing our ideas about new games with

each other. We always play together because we live in the same estate.

My favourite subjects are Computer studies and Buddhist studies. I like these subjects because they are easy to learn and I often get high marks in these subjects. Yoyo likes these two subjects too. She also thinks that they are the easiest subjects to learn.

Yoyo's favourite colour is blue-green colour very much. I like it too. In fact, I like all the colours because I think that they are beautiful.

I hope that we can be best friends to each other for ever.

Me and My Friend

My name is Betty. I am nine years old. I wish I was the eldest among my siblings, but I am not. I am 1.43 meters tall. I hope I can grow taller than my mother but that is impossible because my mum is short, so I will be short too. Hush! Don't tell my mum, please!

It's time for me to describe my appearance. I have big, charming eyes, a small nose and two small ears. My hair is long. At least longer than Miss Fong's and Nancy's.

My favorite subjects are P.E. and English because I am good at these subjects. My favorite colour is pink because I think it's a girly colour. Nancy likes pink too!

Nancy is my classmate, she sits next to me. She is younger than me. She's eight. She has big, charming eyes too. Her favorite subject is Art.

In my opinion, I think everyone is different. We have different hobbies, heights and weights. We should try to like everyone, and not laugh at others. Remember, we are not the same. Thank you.
